Mise en place d'un template en mobile first

Point de rupture : 768px

The image shows a comparison between a mobile version (left) and a desktop version (right) of a travel website template, illustrating responsive design principles.

Mobile Version (Left):

- Header:** "Voyage" at the top.
- Content:** "HELLO WORLD!" in large white text on a blue background.
- Navigation:** "About us" link.
- Image:** A small image of two beach chairs under a palm tree.
- Text:** "Unam incidunt Belgae, aliam Aquitani, tertiam. Cras mattis iudicium purus sit amet fermentum. Integer legentibus erat a ante historiorum dipibus." followed by three smaller images of beach scenes.
- Statistics:** A blue bar at the bottom with four circular icons: "120 Quise", "140 Palum", "80 Dealt", and "90 Ponus".
- Footer:** "At nos hinc posthac.", "Sipientis", and a list of 10 items under the heading "Unde".
- Contact:** Tel: 0984543432, Email: info@voyage.com, Address: 10 rue de la poste, Paris - France.
- Legal:** "Qui sponsum in Regno Cœlio Nominis Galli appellatur. Ambitioni dedicas scrupulose ludicrebat. Integer legentibus erat a ante historiorum dipibus. Integer legentibus erat a ante historiorum dipibus."

Desktop Version (Right):

- Header:** "Voyage" at the top, with "About us" and "Sipientis" links.
- Content:** "HELLO WORLD!" in large white text on a blue background.
- Navigation:** "About us" link.
- Image:** Three larger images of beach scenes: two beach chairs, a beach hut, and a hammock.
